

FOCUS ON ECONOMIC GROWTH

Helping Businesses Grow

The Chamber implements a variety of strategies aimed at growing the local business community, including building and providing a resource network for business owners, spotlighting local businesses, promoting businesses through advertising, and awarding Chamber dollars at events which may be redeemed at Chamber businesses.

Encouraging the community to buy local is vital for the success of our businesses, and Chamber dollars are a great incentive for people to support member businesses.

Business Attraction

The Chamber of Commerce serves on behalf of the city as a welcoming agency for new businesses, as well as providing new Chamber members with all of the resources, promotions and networking opportunities that the business community has to offer.

Tourism & Community Promotion

The Chamber of Commerce promotes the City of Casey and businesses through its advertising campaigns, showcasing the unique qualities our community has to offer. It also serves on behalf of the city as a welcoming agency for new members of the community, providing materials and information on services/amenities in the area as well as direction to satisfy other community-related inquiries.

About the Casey Chamber of Commerce
